THINK ABOUTS...

To maintain consistency in your art, you should devote at least an hour a day to be successful at YPAS.

Students who plan to pursue an arts career, at a minimum, you should devote 2 to 3 hours a day of honing your craft, and perhaps more if possible.

For students in 9th - 11th grade, communicate to parents the need for starting a binder of your accomplishments and awards. This will be immensely helpful when you begin applying to colleges.

I cannot stress this skill enough: work on improving your **READING** skills!!!

If you plan to pursue the arts, you must have balance in your schedule
